

SOLIDARITY WITH LUCIANO "TORTUGA" PITRONELLO YOU WILL ALWAYS REMAIN WILD AND FREE

"...I would dare to represent as the first piece of a great row of dominoes, in which one pushes the first and the second pushes the third and so on successively, where my morale comes to be one more piece in the dominoes, in which there is also damage to the system in breaking with its authoritarian logic, the esteem that the action generates as much on the individual level as collectively, as well as representing another seat in the conflict with reality, and one could spend days like this numbering the different effects that a solidarity action can have..."
